**ADD TO CART** | CLOSE

13. Once you have completed your selection of Courses (in this example only one is selected) you will see the number of courses next to the cart symbol at the top of the page (in this example 1 course is shown)

**Tip: If you are enrolling for the next year of U3A Courses, the Cart will contain your subscription plus the Course selected, making 2 items in the cart**

14. Click on the Cart symbol at the top of the page to see the **Cart contents**:

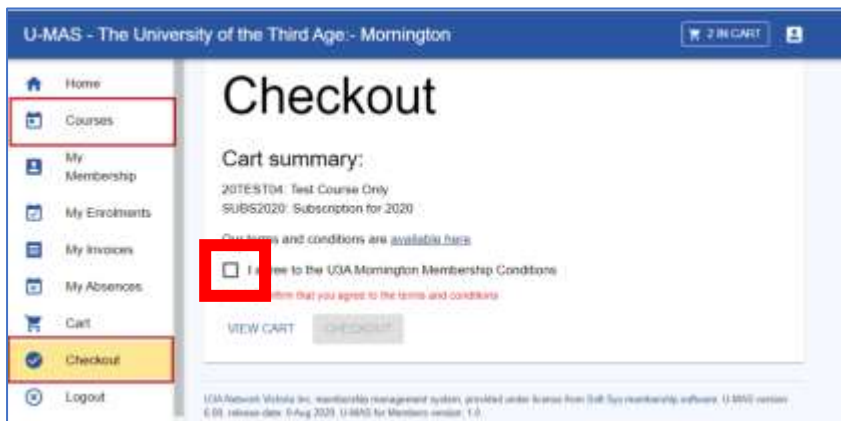

If you realise you have made a mistake, click on **Clear Cart** or the **Rubbish bin** icon and you can return to **Courses** to make different course selections.

### 15. Terms and conditions.

If all is correct, tick the box agreeing to Terms and Conditions.

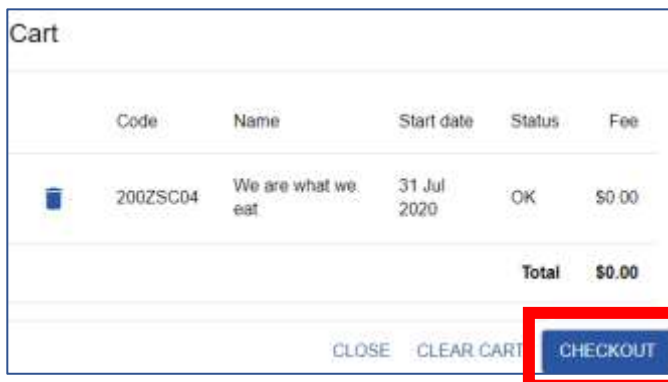

Terms and conditions can be found on our Website.

**Tip: You will only need to do this the first time you enrol for the year.**

### 16. Checkout

Once you have selected all the Courses you wish to select, click on **Checkout**

**Tip: You MUST click on Checkout to complete your enrolment.**

**You will receive an email confirming your enrolment.**

17. If there are no fees to be paid, a screen showing all your enrolments will open so you can check that everything is correct before you click **Checkout**.

- 18.** If you are enrolling in a course which has a fee or enrolling for the new year, clicking on **Checkout**, will enrol you in your selected course/s AND will generate an invoice so that you can pay the course fee and/or the annual membership fee. A typical invoice is shown below:

### **19. Paying your membership & Course fees**

To pay by Credit Card or PayPal, click on **Pay with PayPal**, this will allow you to **either** use your PayPal account to pay the invoice, or if you do not have a PayPal account, you will be able to enter your credit card details.

**For more information about Filter – see page 6**

## FILTER

**Filter** allows you to focus your search for courses.

This example of the use of the filter will help you find a Course in the next month:

- In **Timespan** select **Next Month**
- Exclude **Closed courses**
- Choose how they should be sorted, for example, sorted by **Category** and then by **Course name** within each category
- You can also limit the courses you see to **Categories** that are of interest to you. To do this click on **Untick all** and tick the ones you want

The filter selection panel will look like this:
